PLATFORM AND RESOLUTIONS. The Republicans of Ormsby County represented by delegates in Convention assembled, affirm their devetion to the principles enunciated in the patform adopted by the Republican State Convention.

In addition to our solicitude 'er the prosperity of the whole country, as atfected by the present unjust discrimination against silver, we have a personal interest in the question so far as it has been used as an argument for closing the Carson Mint. We charge the Democratic leaders in this State, under dictation of Senator

Fair, with having conspired against the Carson Mint, and with having caused its doors to be closed against gold and silver producers of this State. We condemn the action of the Demoeratic officials for delaying operations upon the propose I public Government building to be creeted in this city, and

for which the appropriation now lies

idle in the Natio al Treasury. We favor abso ute exclusion of the Chinese from this country, now and forever, and we call attention to the fact that the p.oposed Exclusion Act introduced by Senator Mitchell, a Republican Senator from Oregon, was passed by a Republican Senate, and was subsequently rejected by a Demo cratic House of Representatives. We recognize that the people of the entire country, whenever they become acquainted with the merits of this question coincide with the Pacific Coast view, but we wish distinctly to point out that so far as effective action on this great subject is concerned, the Republican party has shown its carnestness in the matter by attempting legislat on for the benefit of the people. This attempted legislation has been defeated by a Democratic House of Representatives. Let the people judge between he parties as they stand upon the rec-

We cordially second to Senator Jones and Congressman Woodburn, our en nest commendation and approval for their constant attention to the wants and requirements of their constit uncts, and for their unremitting efforts on behalf of the great inversets of the entire coun

With pleasurs we end ree the nominces named by the Republican State Convention and predict success in Movember for the entire ticket.

Economical management of local affairs a efficers should be eareful in guarding expenditures from the county funds. To this policy the Republicane of Ormsty County stand pledged

Reselved - That the Legislative nominees of this Convention are pledged to Ormsby County men and measures in all matters touching Ormsby County which may come before the sessionof the Logislature.
